View Devices and Network

Wi-Fi

Settings

No internet connection

**Hmm, your phone is not
connected to the internet**

Check your connection and let's try again

Try again

Pairing failed

**Hmm, something's not
working**

Your Router didn't pair. Let's try again, or choose
another router

Try again

Choose another Router

Turn on Wi-Fi

Turn on Wi-Fi

Go to phone settings and connect to Wi-Fi

Go to settings

Not right now

Error

×

Hmm, something's wrong

Let's try that again

Try again

Positioning your Router

×

A Router designed to be seen

- Place upright in a central location
- Keep it visible, don't cover the top
- Avoid windows or heat sources
- Keep 1m away from electrical items

Wi-Fi connection failed

**Sorry, we can't connect to your
Wi-Fi**

Go to phone settings and connect to Wi-Fi

Go to settings
